

# Birthday Parties

Clermont Bowling Center offers the finest facility in the area for your birthday experience. Our parties are offered any day of the week (schedule allowing), with our most popular party days being Saturday & Sunday. Party packages include 2 hours of party time, bowling, shoes, pizza, soda or juice, party décor, balloons, a coupon for each guest to receive a free game of bowling on their next visit, & a real souvenir bowling pin for the guest of honor.

The price is \$15 per child, and there is a 10 child minimum.

Weekend party times: Sat. 10am-2pm, 1pm-3pm, or 4pm-6pm  
Sun. 11:30am-1:30pm or 2pm-4pm

- Our parties include 2 slices of pizza per child and unlimited fountain drinks.
- You may provide a cake, as we do not supply this item (no ice cream cakes please)
- We will supply tablecloths, balloons, and disposable serving ware (plates, cups, forks, knives, & placemats). If you would like a special theme for your tableware, you must provide it yourself.
- Have your guests arrive 15 minutes early to get their bowling shoes so that you can maximize your 2 hours of party time.
- Guests not included in the party package may bowl at regular rates (lane availability depends on lanes in use for other parties/events).
- If you plan to give party favors which include candy or other food items, they have to be given as the children leave the facility. We ask that you refrain from providing gum in our facility.
- All parties are scheduled for two hours. You must be prepared to have all gifts, food and cake removed when the two hour period is over.
- Please be prepared to share the banquet room with other parties.
- Weekday parties are available as well; please inquire at the front counter for lane availability.
- If you require a party time not listed above, price subject to change.

Reservations are accepted at the front counter and require a non-refundable \$50.00 deposit.
